RIGHT TO PRIVACY

- We respect each individual's right to privacy, we value our relationship with you, and we take pride in maintaining loyalty and respect with each individual client by providing you with privacy and security.
- The provisions of this Cookies Policy and Disclosure apply to all Websites operated by the Company, (including the client area and all other panels and dashboards available under any of the domains operated by the Company) and explains how Cookies are placed on your computer, tablet and/or mobile telephone (a "device") in order to log information.
- By using the Company's Website(s) you agree that 'Cookies' will be placed on your computer or device in accordance with the terms of this Cookies Policy and Disclosure. The Company's Cookies Policy and Disclosure provides users of the Company's Website(s) with information on which Cookies are set when you visit the Company's Website(s) and how to reject or delete those Cookies.

Users of the Company's Website(s) should also be familiar with the Company's Privacy Policy which is available on the website under Legal Documentation.

*** PLEASE CAREFULLY READ THE COMPANY'S PRIVACY POLICY AND THIS COOKIES POLICY AND DISCLOSURE BEFORE USING ANY OF OUR WEBSITES.**

WHAT ARE COOKIES?

Cookies are text files containing small amounts of information, which your computer or mobile device downloads when you visit a website. When you return to websites – or visit websites that use the same cookies – they recognize these cookies and therefore your browsing device. Cookies can include any specific information you have entered into forms and the time and date of your visit. These Cookies cannot harm your computer or device, are anonymous and unique to the browser.

Cookies are used to improve user experience, make the website work, enable Website security and provide the business with marketing information about the Website's visitors. The Cookie text files comprise numbers and letters. The Cookie files are saved into specific areas in the memory of your computer or mobile device. Cookies stored here are called 'session Cookies' with cookies placed into the hard drive called 'persistent Cookies'.

COOKIES ON THE COMPANY'S WEBSITE(S)

The Company's Website(s) use(s) Cookies to provide the functionality you need to browse our Website(s) correctly. We use Cookies to enable you to improve your user experience when using our Website(s). The use of Cookies helps us maintain security and verify your details, which enables you to avoid re-entering your details each time you visit our Website(s). They can also help ensure that ads you see online are more relevant to you and your interests.

Cookies do not only help us recognize and remember you as a unique user when you return to our Website(s), but they also collect anonymous information for evaluation purposes to help us improve the structure of our website.

We also use similar technologies such as Google Analytics, pixel tags and click redirect to fulfill these objectives.

We use both our own (first-party) and partner companies' (third-party) cookies to support these activities.

All trading involves risk. Leveraged trading has potential rewards, but also significant potential risk.

The Company's Website(s) issue Cookies upon landing on our Website(s), unless the user has changed Cookie settings in their browser to refuse Cookies. Please note that with Cookies switched off, some areas of our Website(s) and services may not be available to you and that you may not be able to login with Cookies disabled. The Company supports social bookmarking and with Cookies disabled this functionality may not be available.

Other than as expressly disclosed in this Cookies Policy and Disclosure, the Company does not use Cookies to collect personally identifiable information about you; other than as expressly disclosed in this Cookies Policy and Disclosure, the Cookies we use only collect anonymous information to optimize our services and do not collect personal information.

Please note, however, that not all the Cookies on our Website(s) are set by us.

COOKIES IN EMAILS

We use cookies in some of our emails. They help us to understand a little bit about how you interact with our emails and are used to improve our future email communications.

CATEGORIES OF COOKIES STORED ON YOUR DEVICE WHEN BROWSING THE COMPANY'S WEBSITES

The categories of Cookies stored on your device when browsing the Company's Website(s) include the following:

Essential Cookies: These Cookies are essential for the operation of our Website(s) (such as features and accessing secure areas of the Websites)). Without these Cookies, certain options on our Website(s) may not be available. The essential Cookies are vital for us to use for the quality of our services to you.

Performance Cookies: These cookies allow us to count visits and traffic sources, so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site.

Functionality Cookies/ Traffic Log Cookies: We use functionality/traffic log Cookies to identify which pages are being used and to allow us to remember your preferences and to provide enhanced or more personal features. These Cookies remember choices you make to improve your experience. This helps us analyze data about web page traffic and improve our website in order to tailor it to customer needs. We only use these information for statistical analysis purposes and then the data is removed from the system. We use this information to understand, for example, the effectiveness of our advertising and marketing.

Behavioral advertising Cookies (third party): We and third party advertisers use Cookies to serve you with advertisements that we believe are relevant to you and your interests. They also limit the number of times you see an advertisement and they help measure the effectiveness of an advertising campaign. These Cookies are used by targeted advertisings services to collect information about your browser habits and to deliver advertisements more relevant to you.

We may use third-party providers to help us determine which of our advertisements are most likely to be of interest to you. These providers may use behavioral information, such as how you navigate the internet, to provide relevant advertisements to you. No personally identifiable information is stored on these Cookies or web pixels. The information reported to us is aggregated and anonymous. We do not share any personal information gathered through cookies on this Site with third parties but Local Sites may do so in accordance with their own cookie policies.

All trading involves risk. Leveraged trading has potential rewards, but also significant potential risk.

GOOGLE ANALYTICS

We use Google Analytics that uses Cookies to count the numbers of visitors and their consumer behavior. In this way, we can tailor the content of our website to correspond to your interests and preferences. The information generated by the Cookies is stored by Google and it is later used by it to evaluate the use of our website, and to conduct reports on the activity of the website or the internet.

To opt out of being tracked by Google Analytics please visit : <http://tools.google.com/dlpage/gaoptout>.

PIXEL TAG

We use Pixel Tag across all our social media accounts (Facebook, LinkedIn) to collect information about users that visit our Facebook page and/or Twitter account to analyze their behavior.

Tracking pixels is used to collect and store information about visits to our Website(s), such as which pages you viewed and how long you spent on our Website(s), as well as the specific advertisement that you clicked to visit our Website(s).

We also use Pixel tag for Marketing and Advertising purposes.

CLICK REDIRECT

We use Click redirect as AD banner and Google AdWords to redirect users to Royal's landing page (URL).

More information on the use of Cookies by Google AdWords can be found on Google websites.

USE OF FLASH FILES

We make use of flash files, which present information, allow integration with 3rd parties (such as YouTube) and can offer a richer online experience.

Currently technology is limited in its ability to review the 'inner workings' of flash files. We have strived to identify any flash elements that are likely to set Cookies but, at this point in time, we cannot guarantee the status of every flash file.

Adobe offers a tool to monitor, opt out and remove 'flash Cookies' - for more information visit <http://www.adobe.com/>.

HOW TO MANAGE COOKIES

If you have configured your computer to automatically display images, or if you have added us to your email "address book" (or "safe senders" list), or if you have configured your computer to have "weak" security, cookies might be set at the same time as you download, open or read an email from us. If you would prefer for this not to happen, you should disable the automatic displaying of images, or remove us from your address book or strengthen your security settings.

You may refuse the use of Cookies by selecting the appropriate settings on your browser. Please note that if you do so, you may not be able to use the full functionality of the Company's Website(s) features.

All recent versions of popular browsers give users a level of control over Cookies. Users can set their browsers to accept or
